Education

University of Washington | Tacoma, Washington

2020 – 2024

Bachelor of Science in Information Technology

GPA: 3.79

Projects

Parklet on the Ave Donation / parklet.udistrict.org

- Engages the U District community to submit donations to help fund the parklet - using modern technology such as React.
- Implements the Stripe payment API for easy checkout as well as quote storage for board engraving.
- Operated within a dynamic team acting as the Lead Developer and Project Manager with set deadlines and schedules

Character Quiz / breath-of-the-wild-quiz.kenyon-huppe.com

- Calculates a thorough analysis of the user's given Champion character from the hit game, *The Legend of Zelda: Breath of the Wild*, using React.
- Utilized self-taught React skills, honed through crafting this site.
- Employs a point-calculated system allowing for easy and accurate selection choices.
- Offers multi-faceted answer choices leading to a personalized experience.

To-Do List / to-do-list.kenyon-huppe.com

- Magnifies user involvement by utilizing modern JavaScript techniques, such as CRUD.
- Sustains user attention by use of data caching, allowing user data to be stored via the browser.

Study With Japan Site / study-with-japan.kenyon-huppe.com

- Enhances user satisfaction by using a variety of high-level CSS transition techniques.
- Heavily Promotes user exploration through a sleek multi-web page design.

Experience

Webkey - Internship / webkey.us/ | Seattle, Washington

2023 – Current

- Inherited and spearheaded continued development of a full stack application - modifying and connecting the Django database to the Nextjs frontend - to help spotlight local businesses in the Seattle U District.
- Migrated and improved upon designs of community-focused websites to boost social engagement in the U District.

Trader Joe's - Crew Member / traderjoes.com/home | Olympia, Washington

2021 – 2022

- Consistently exceeded customers' expectations by operating in a team with clear and open communication.
- Skyrocketed sales by demonstrating quality customer service as well as maintaining positive relations by suggesting personal favorite products.

The Valley Athletic Club - Floor Staff / valleyac.com | Tumwater, Washington

2018 – 2019

- Boosted membership sign-on rates by maintaining a high level of cleanliness within the club as well as keeping consumables stocked.
